Subject: Fwd: Barrie (Stretch)Burns

G'Day All,

Well it has happened, one of our own from the wider Ex-Navy community has been burnt out & left homeless from the current disastrous bushfires.

Stretch & Keriyn lived in Saresfield in the Gippsland. They have the cloths on their backs & their dog.

An appeal has been set up through Naval Commemorative Committee Victoria (NCCV), BSB633000, Account number 155032758, & it will be administered by the Treasurer Jan Gallagher.

I have to thank Marty Grogan, Terry Makings, & Jan Gallagher for allowing the the resources of the NCCV to be used in this appeal.

Please distribute this email throughout your Navy lists in the hope that Stretch & Keriyn can get through the immediate aftermath of this disaster.

Regards
Kerry Kerr & Max Binding.
