

Paying your annual subscription via the web site.

There is now an alternative way to pay your NAA annual subscriptions, the cost is the same its just another way to do it. After you have logged in (see <https://navalassoc.org.au/links/tutorials> if you are not sure on that) you can click on “Subscribe to Naval Association” on the left of screen. You will then see your subscription options. The system is aware of your membership type and will offer an appropriate option.

Note that there is a link to send an email for assistance if required.

Click on “Renew my Membership” and your renewal details are displayed. Click “Next” to proceed to payment options. You can pay by Credit Card, PayPal or Bank Transfer. If you choose bank transfer, then it is up to you to use the web facilities of your bank to send a transfer of the funds to the NAA quoting the order number as your customer reference. Otherwise the payment is processed immediately.

Shortly after confirmation of your payment the website will acknowledge your new Membership Expiry Date.

At the end of each month the National Treasurer will disburse all payments received to Sections and Sub-Sections as appropriate, along with details of what the funds are covering. In this way all levels of the Association receive the same income regardless of how the member has payed.
